

Legal Disclaimers & Terms of Service

Scope

These disclosures apply to all AELTRADE Learning Inc. programs, diplomas, and certificates — whether currently offered or introduced at a later date — and to any future updates, revisions, or expansions of existing course content.

Educational & Accreditation Disclaimer

AELTRADE Learning Inc. is an educational company providing online training in day trading concepts. AELTRADE Learning Inc. is a federally incorporated Canadian corporation, operating in Ontario under the registered business name AELTRADE, and is not currently registered as a career college under Ontario's Career Colleges Act, 2005, nor accredited by any Canadian or foreign educational accrediting body. "Diploma" and "Certificate" describe the structure of AELTRADE's own curriculum and do not confer a government-issued, regulated, or professionally accredited credential. Content across all AELTRADE certificates and diploma programs is provided strictly for educational and informational purposes.

Risk Disclosure

Trading foreign exchange, equities, commodities, futures, and digital assets carries a substantial risk of loss and is not suitable for every individual. High leverage can work against you as well as for you. You may lose some or all of your invested capital.

No Profit or Earnings Guarantee

AELTRADE Learning Inc. provides training intended to help students understand day trading. Completing any AELTRADE Diploma or Certificate does not guarantee that a student will become a profitable day trader, and no AELTRADE Diploma or Certificate guarantees any positive outcome — financial or otherwise — when the material is applied to real-world trading. Historical examples, simulated performance, and backtested results do not guarantee future live market results.

Academic Performance Disclaimer

Completion of any module assessment or certificate depends on the student's own study and effort. AELTRADE Learning Inc. does not guarantee that any student will pass a module quiz or complete any AELTRADE Diploma program. Support resources, including any tutoring or proctoring assistance, are provided to aid understanding of course material and do not guarantee a passing result.

Professional Consultation Recommendation

AELTRADE Learning Inc. is not a registered investment advisor, broker-dealer, or financial manager, and does not provide personalized financial, investment, or trading advice. AELTRADE is not affiliated with any investment advisor, broker-dealer, or financial manager, in Canada or elsewhere. Neither AELTRADE nor its Advocates are authorized to give students or prospective students personalized trading recommendations; any such advice given by an Advocate is that individual's own and is not endorsed by, or attributable to, AELTRADE. AELTRADE encourages graduates to consult a registered investment dealer, broker, or financial advisor in their own jurisdiction before applying course concepts with real capital. In Canada, investment dealers and their registered representatives are regulated by the Canadian Investment Regulatory Organization (CIRO) and applicable provincial securities regulators, such as the Ontario Securities Commission (OSC) in Ontario. Students residing outside Canada should consult the equivalent registered or licensed financial professional, or the applicable securities regulator, in their own country. AELTRADE reserves the right to decline, delay, or cancel enrollment for applicants residing in a jurisdiction subject to Canadian or international sanctions, or in a country experiencing active armed conflict, at its sole discretion.
